RENTAL PROCEDURE

If you are interested in renting the apartment you have seen, the following procedure should be followed:

- 1. Pay the first month's rent.** This takes the apartment off the market for 24 hours. Deposits can be made in person or on rentpament.com.
- 2. Complete and submit the application within 24 hours.** If you do not have sufficient income, or are a student, we will require a co-signer on the lease. If this is the case, you will be required to fill out the "co-signer" section of the application. The applicant and co-signer must sign the application.
- 3. The completed application should be turned in to our office with the application fee(s) and a copy of your photo ID.** The application fee is \$40 per person. If you have a co-signer, the fee is \$80 (\$40/person). This will cover the cost of the credit reports and other processing fees. This application fee is non-refundable and must be separate from the check for first month's rent.
- 4. The security deposit must be paid prior to move in.** The security deposit is usually equivalent to 1 month's rent, but may vary depending on circumstance. The exact amount of your security deposit will be listed on the account statement, which you will receive with your lease. We only accept one check for the security deposit per apartment, not per resident. The **entire** security deposit must be paid two weeks before the lease begins. **Security deposits are NOT accepted on move-in day.**

After receiving your application, first month's rent, and application fee(s), we will process your application. This should take no longer than 48 hours.

If your application is accepted, we will notify you immediately and a lease will be emailed to you through DocuSign. The lease must be signed by all parties by the due date otherwise, we may place your apartment back on the market and your deposit will be forfeited.

If your application is declined, we will call you and send a letter to the address listed on your application with the check for your first month's rent enclosed.
